

# Poultry Industry Golf Day in Camden NSW

*Poultry Digest* attended the EW Layer Seminar on October 24 held at the Camden Lakeside Country Club and then the Poultry Industry Golf Day.

Christine Clark, now General Manager at Premium Agri and fully involved in the layer industry, took notes while *Poultry Digest* took the pics.

There was a great turn out with 61 players attending for the 1.00 p.m. shotgun start after the lunch and player briefing.

It was a great networking opportunity for all the poultry industry colleagues to get together over a game of golf and the dinner which followed the event.

All proceeds went to the Prostate Cancer Foundation of Australia and the event was sponsored by EW Nutrition and Special Breeders Australia.

The Jock Smith Trophy went to Paul Micalieff with the Best Nett score 74.
